for grant of permission to appropriate 2 acres and 23 guntas of land out of his S Nos 11 and 13 of Mulkere village, Shimoga taluk for building purposes the D C Shimoga district ordered in his memo dated 27 2 1936 that Sanction would be accorded if the party paid Conversion fine at Rs 400/- per acre as per rules then in force Mr Mahalingaffa offered to credit the amount of Conversion in respect of the 2 acres 23 guntas on 6 10 1937 by which time the order of 11 8 1937 sanctioning the enhancement of rates of Conversion had come into force According to the revised rules the minimum of Conversion fine leviable in respect of the above land was Rs 1000/- per acre as it was situated within 2 miles from the Shimoga By station the D C, however recommended that Conversion fine at Rs 400/- per acre may be recovered from the party concerned in view of the fact that the order directing the levy at Rs 400/ per acre had been passed prior to the order sanctioning the enhancement of rates of Conversion fine the R C held an opposite view and ordered the levy of Conversion fine at Rs 1000/- per acre according to the revised rules Mahalingaffa thereupon preferred an appeal to Govt against the R C's order which was upheld by Govt

R 2686/37 38-13

18) Mr Mahalingaffa subsequently presented to this office another petition on 11 3 1939 praying for the levy of Conversion fine at Rs 400/- on the land referred to above in consideration of his offer to give up free of cost, necessary land out of S No 11 for a cycle track which was proposed to be opened

on the Shimoga town Govt forwarded this petition to the ~~RC~~ R C for his opinion and his report is as follows :—

19) Mr Mahalingaffa has presented to the D C another petition on 20 10 1939 and he has stated therein that he is prepared to make over to Govt free of cost the whole of S no 9 (measuring A 5 - 33) and an extent of 1 acre 29 guntas out of S no 8 of Mukkur village in addition to the 2 guntas of land in the S no 11 for the purpose of the Circle He has prayed that, in return for this offer of land, he may be permitted to appropriate 3 acres, formerly it was 2 acres 23 guntas, of land (25 guntas in S no 13 and 2 acres 15 guntas in S no 11 of Mukkur village) for building purposes, waiving the levy of conversion and special assessment leviable on this extent and recovering only the Commuted assessment for 25 years The D C states that the lands in question viz, S nos 8, 9 & 13 of Mukkur are situated near the Shimoga Rly station and the public offices and are valuable and that the reservation of the lands offered by Mahalingaffa is very necessary For these reasons the D C has recommended that the above request of the petitioner may be granted

20) The R C states that the Executive Engineer Shimoga Dn is not in favour of permitting the alienation of the lands in question and wants the same to be reserved to Govt The R C is of opinion that Mahalingaffa may be permitted

Serial No

to appropriate the lands (it is not clear whether 2 acres 23 guntas or 3 acres) for building purposes on payment of Conversion fee at Rs 1000/- per acre as per rules now in force this recommendation does not in any way differ from his previous order dated 12.11.38

21) In view of the fact that both the D C and the Executive Engineer are of opinion that the reservation of S Nos 8 + 9 + 11 + 1 of Mulkere village is necessary and useful and the petitioner has offered to make over to Govt, free of Cost, an extent of 7 acres 24 guntas (5-33 in S No 9, 1-22 in 8, 0-2 in 11 = 7-24) which has been reported to be valuable and well situated, it is for Consideration whether the D C's proposal may not be sanctioned

Submitted for orders

15/11/40

15-11 22) The petitioner in his letter has stated that he may be allowed to convert the land on payment of fee at Rs 400/- per acre instead of at the revised rates The R C is apparently not in favour of this as this may be a precedent

23) If it is decided to grant permission to convert, it should not be withheld merely on the ground that the lands may be required for Government

PETITIONER -

****

The petitioner above named begs leave to state as follows -

The petitioner being the owner of the Survey Nos 11 and 13 in Mulkere Villege, Kasaba Hobli Shimoga Taluk had applied to the Deputy Commissioner for permission to convert 2 acres and 23 guntas of the land for building purpose The Deputy Commissioner has passed an order No A 5C 137 6/34-35 directing this petitioner to pay a conversion fine of Rs 400/- per acre Thereupon the petitioner prayed for a reduction in the rate of conversion fine This took some time Some delay was also caused on the part of this petitioner to deposit the amount in accordance with the Deputy Commissioner's original order

2 In the meanwhile i e by the time the petitioner was about to deposit the amount there is a Government order to the effect that the rate of conversion fine per acre in future be at a higher rate for all lands within the radius of one mile from the Railway Station And therefore the local authorities now state that the rate of conversion fine ought to be revised But the Government subsequent order which

is not in reference to this petitioner's case does not effect this petitioner

3 That the petitioner had approached the Government by means of a petition dated 10th September 1938 requesting that conversion of fine at the rate of Rs 400/- per acre be ordered to be levied on 2 acres and 23 guntas of land out of Sruvey Nos 11 and 13 of the said village But the Government have sent this petitioner an endorsement No R 2686/LR 7-38-13 dated 2nd December 1938 to the effect that the said application is rejected

4 The petitioner now most respectfully prays that this request may kindly be reconsidered by your Honour in view of the petitioner's offer free of costs that so much of the portion of this land which is necessary and is required for the construction of the proposed Circle which leads to the Deputy Commissioner's Bungalow, on one side and the Circuit House on the other and also connects the Anjanapur-Sowlanga Road with the Bhadravati Road within the Shimoga Town Municipal area This circle is an important one and it adds to the beautification of the town amonth other things Your Honour may be pleased to have a spot inspection, if necessary

5 In any view of the case the rate of Rs 400/- per acre is very heavy

6 The petitioner is ready and willing to hand over the possession of so much portion of the land as is necessary for the circle without any price

In these circumstances the petitioner respectfully

respectfully prays that your Hunour may be pleased to reconsider this - my prayer, be pleased to uphold the Shimoga Deputy Commissioner's Order No A 5 C 1375/34-35 and direct the local Authorities to receive the amount at the rate of Rs 400/- per acre and thus help this petitioner as well as the public

Subject — Alienation Levy of conversion fine on Survey Nos 11 and 13 Mulkere village,Shimoga Taluk-Petition of Mr G C Mahalingappa regarding

SIR,

With reference to your reminder letter No R 5523 dated 20th March 1940, calling for a report through the Revenue Commissioner on the above subject, I have the honour to state that a report with the connected records has been sent to the Revenue Commissione with this office No A5 C 3520-88/38-39 dated 9th December 1939 A copy of my letter addressed to him is enclosed for kind perusal

I have the honour to be,
Sir,
Your most obedient servant,

M Seshadri

Deputy Commissioner,
Shimoga District

Copy of letter No A 5 C 3520-88/38-39 dated 9th December 1939, from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner in Mysore, Bangalore

Subject - Alienation-Levy of conversion fine on Survey Numbers 11 and 13 of Mulkere village, Shimoga- Petition of Mr G C Mahalingappa, regarding

Adverting to Chief Secretary's letter No R 4622/L R 417-38-2 dated the 23rd March 1939, forwarding copy of the petition presented on 8-3-39 by Mr G C Mahalingappa of Shimoga, praying for the levy of conversion fine of Rs 400/- per acre on an extent of 2 acres 23 guntas of land in S Nos 11 and 13 of Mulkere village, Shimoga, to be appropriated for building purposes, in view of his offer to give a portion of the above lands for a circle to be formed in Shimoga Town, I have the honour to state as follows

2 Mr G M Kadappa and after his death his nephew Mr G C Mahalingappa the occupants of the above 2 S Nos, having applied for permissic to convert two acres and twenty three guntas therein, for building purposes, it was ordered in this office No A5 C 1376/34-35 dated 27-2-1936 that sanction would be accorded if a conversion fine of Rs 400/- per acre was paid by him as per rules then in force As Mr Mahalingappa offered to credit the amount of conversion fine on 6-10-1937 that is after the amended rule 59 of Land Revenue Rules, enhancing the amount of conversion fine, to be levied in the case of lands within two miles from the Shimoga Railway station to not less than Rs 1000/- and not more than Rs 2000/- per acre was issued Mr S Narayana Rao, my predecessor in office ordered on 9-10-1937 that a special recommendation might be submitted that the fine of Rs 400/- per acre ordered by him prior to the receipt of the Government Order amending the rule, might be recovered and the lands permitted to be used for building purposes subject however, to the recovery of the special assessment prescribed in Rule 29 of Land Revenue Rules A recommendation was accordingly sent on 12-1-1938 to the Revenue Commissioner who ordered in his No D Dis 2154/37-38 dated 7-5-1938 that as the petitioner had refused to agree to pay the conversion fine of Rs 1000/- per acre as per rules then in force, his prayer for conversion might be rejected The Government also to whom Mr Mahalingappa prefered ar

an appeal against the above order declined to interfere in the matter in their No R 2686-/L R 7-38-13 dated 2-12-1938

2) Mr G C Mahalingappa in his present petition received from the Government has stated that he would give free of cost the land required for the formation of a circle at the junction of the Shimoga- Sowlanga road where the roads leading to the Circuit house and the Deputy Commissioner's Bungalow(near Mr Ameer Ahmed's Buildings) join and the conversion fine on the lands in S Nos 11 and 13 of Mullakere to be appropriated for building be levied at the rate ordered by the previous Deputy Commissioner

3) Mr Mahalingappa owns lands bearing S No 8 and 9 of Mulkere village on the East of the Shimoga-Sowlanga Road just adjacent to the Deputy Commissioner's bungalow compound As they are contigous to the old parade maidan to the right of the approach road to Deputy Commissioner's bungalow the reservation of these for public purposes appears desirable

4) Mr Mahalingappa in his petition presented to this office on 20-10-1939 has stated that he would make over free of cost, the whole of S No 9 measuring 5 acres 33 guntas and 1 acre and 29 guntas in S No 8 lying on the side of the approach road and also 2 guntas in S No 11 required for the formation of the circle and has prayed for altogether waiving the levy of the conversion fine and also the special assessment leviable under Rule 29 Land Revenue Rules and to permit him to convert 3 acres (25 guntas in S No 13, 2 acres and 15 guntas in S No 11) for building purposes, on payment of the commuted assessment for 25 years

5) The lands offered to be given to Government lie within about half a mile from the Shimoga Town Railway station being situated just near the Public Offices and the Deputy Commis-

Commissioner's compound and are valuable If they have to be acquired for Government purposes, the cost may be the same as the conversion fine to be levied on the lands sought to be appropriated for building purposes at the present rate The S Nos 8 and 9 in question are also very close to the Government lands near the Public Offices and their reservation to Government seems very necessary

6) I therefore recommend that sanction of Government may be obtained to the conversion of 3 acres of land in Survey Nos 11 and 13 by the sides of the road as prayed for by the petitioner Mr Mahalingappa without levy of conversion fine or special assessment but subject to the levy of 25 years' commuted assessment on the area to be appropriated on condition of his relinquishing S Nos 9 in full, 1 acre and 29 guntas in S No 8 and 2 guntas in S No 11 in favour of Government free of cost

7) The connected records and the application of Mr Mahalingappa are enclosed

Subject — Petition of Mr G C. Mahalingappa regarding levy of conversion fine and special assessment on his lands in S No 11 and 13 of Mulkere village, near Shimoga Town

In continuation of this office letter No C 3319/39-40 dated 10-5-1940 intimating that the result of further action taken in the matter would be reported to Government, I have the honour to forward herewith, a copy of Shimoga District Deputy Commissioner's letter No A5 C 3250-88/38 dated 27-8-1940 reporting that the question of formation of a circle at the junction of the roads in question has not yet been taken up by the Shimoga Town Municipality and that the lands that may be required for the said circle would be acquired when the question arises

The Executive Engineer (vide his letter dated 22-6-1940 - copy enclosed) is not in favour of permitting the alienation of the land in question by Mr Mahalingappa and he wants the same to be reserved to Government for construction of Government buildings in the near future as it is one of the most healthy parts of Shimoga The Executive Engineer has not however, intimated the value for public purposes of the several lands which Mr Mahalingappa proposes to relinquish (free of cost) to Government if he (Mr Mahalingappa) is permitted to alienate 3 acres out of his lands S No 11 and 13 of Mulkere village free of conversion fine and special assessment as proposed by the Deputy Commis-

Deputy Commissioner in his letter dated 9-12-1939 (vide copy enclosed)

As it is not fair to restrain the user of the land in question by Mr Mahalingappa for an indefinite time, I am of opinion that Mr Mahalingappa may be permitted to alienate the lands on conditions of payment of conversion fine etc , as per rules now in force as already ordered in this Office Docket No C 2315/37-38 dated 12-1-1938 to the Deputy Commissioner(vide copy enclosed) I may mention that the above order of this Office has also been upheld by Government (Vide endorsement No R 2687 dated 2-12-38)

SUBJECT -- Appropriation of land out of S Nos 11 & 13, Mulkere Village, Shimoga Taluk, for building purposes

---

Referring to his letter No. A5 C 1376/34-5 dated 17-11-37 on the above subject, has the honour to observe that though the petitioner was informed by the then Deputy Commissioner in February 1936 that permission for alienation of the land for building purpose: will be accorded if he pays conversion fine at Rs 400/- per acre, the petitioner agreed to pay the conversion fine so fixed only in Octobe: 1937 i e , about 2 months after the issue of the recent of Government Order amending Rule 59 of Land Revenue Rules As the alienation of the lands in question has not yet been sanctioned, the party must pay Rs 1000/- or more per acre according to the existing Rules It may also ascertained from the petitioner whether he is agreeable to this and also to reserve sufficient space for a circle of about 200' diameter at the junction of the Road as opined by the Executive Engineer The exact distance from the land to the Shimoga Railway Station may also be ascertained and reported as it is reported that the land is situated within a mile to the north of the Station

A copy of the village map may also be got prepared and forwarded with all the necessary details for reference

The connected vernacular records are herewith, returned for reference and resubmission

Sir,

With reference to your Memo No. C 3319/39 dated 30th March 1940 calling for additional particulars on the above subject, I have the honour to state as follows -

1 The alienation statements are countersigned and enclosed in the records

2 The question of the formation of a circle at the junction of the road in question has not yet been taken up by the Shimoga Town Municipal Council The lands that may be required for the purpose will be acquired when the question arises

3 The Executive Engineer in his letter No 651 dated 22-6-1940 has stated that the site is one of the most healthy available in Shimoga Town and being in close proximity to Public Offices is best suited for constructing Government buildings as Officers' quarters, Offices etc , that may be taken up in the near future He is of opinion that the lands may be reserved for purposes of Government if possible and therefore suggests that the alienation should not be permitted A copy of his letter No 651 dated 22-6-40 is herewith enclosed

With reference to your No. A 5 C 3520-88 dated 15-4-1940 and 20-5-1940, I have the honour to state that survey numbers 8 and 13 are not shown in sketch forwarded by you. Re: the position of the land under reference, it may be stated that site is one of the most healthy available in Shimoga and therefore very important and is best suited for constructing Government Buildings for Officers' Quarters, offices etc , that may be taken up in the near future Its proximity to the District Offices and Law Courts, etc , make it specially useful and in my opinion should be reserved for purposes of Government, if possible Pending construction of Government Buildings, it is useful as a play ground to school boys The alienation should not be therefore permitted.

---

SIR

Adverting to Chief Secretary's letter No. R 4622/L R 417-38-2 dated the 23rd March 1939 forwarding copy of the petition presented on 8-3-39 by Mr G C Mahalingappa of Shimoga, praying for the levy of conversion fine of Rs 400/- per acre, on an extent of 2 acres 23 guntas of land in S Nos 11 and 13 of Mulkere village, Shimoga, to be appropriated for building purposes, in view of his offer to give a portion of the above lands for a Circle to be formed in Shimoga Town, I have the honour to state as follows -

1 Mr G M Kadappa and after his death his nephew Mr G C Mahalingappa the occupants of the above 2 survey numbers having applied for permission to convert two acres and twenty three guntas therein, for building purposes, it was ordered in this office No A 5 C 1376/34-35 dated 27-2-36 that sanction would be accorded if a conversion fine of Rs 400/- per acre was paid by him as per rules then in force As Mr Mahalingappa offerred to credit the amount of conversion fine on 6-10-37 that is after the amended rule 59 of Land Revenue Rules enhancing the amount of conversion fine, to be levied in the case of lands within two miles from the Shimoga Railway Station to not less than Rs 1000/- and not more than Rs 2000/- per acre was issued, Mr S Narayana Rao, my predecessor in office ordered on 9-10-1937 that a special recommendation might be submitted that the fine of Rs 400/- per acre ordered by him prior to the receipt of the Government Order amending the rule, might be recovered and the lands permitted to be

used for building purposes subject, however, to the recovery of the ~~xxx~~ special assessment prescribed in Rule 29 of Land Revenue Rules A recommendation was accordingly sent on 12-1-38 to the Revenue Commissioner who ordered in his No. D Dis 2154/37-38 dated 7-5-38 that as the petitioner had refused to agree to pay the conversion fine of Rs 1000/- per acre as per rules then in force, his prayer for ~~reconsideration~~ conversion might be rejected. The Government to whom Mr Mahalingappa preferred an appeal against the above order declined to interfere in the matter in their No R. 2686-L R.7-38/13 dated 2-12-38.

2. Mr. G.C. Mahalingappa in his present petition received from the Government has stated that he would give free of cost the land required for the formation of a Circle at the junction of the Shimoga Sowlanga Road where the roads leading to the Circuit House and the Deputy Commissioner's Bungalow (near Mr. Amir Ahamad's Buildings) join and the corners confine on the lands in S Nos 11 and 13 of Mullakere to be appropriated for building be levied at the rate ordered by the previous Deputy Commissioner.

3 Mr Mahalingappa owns lands bearing S No 8 and 9 of Mulkere village on the east of the Shimoga Sowlanga road are just adjacent to the Deputy Commissioner's Bungalow compound as they are contiguous to the old parade maidan to the right of the approach road to Deputy Commissioner's Bungalow the reservation of these for public purposes appears desirable

4 Mr. Mahalingappa in his petition presented to this Office on 20-10-1939 has stated that he would make over free of cost, the whole of S No 9 measuring 5 acres 33 guntas and one acre 29 guntas in S No 8 lying on the side of the approach road and also 2 guntas in S No. 11 required for the formation of the Circle and has prayed for altogether waiving the levy of the conversion fine and also the special assessment leviable under rule 29 Land Revenue Rules and to

permit him to convert 3 acres (25 guntas in S No ~~138~~ 13, one acre and 15 guntas in S No 11) for building purposes on payment of the commutted assessment for 25 years

The lands offered to be be giver to Government lie within about half a mile from the Shimoga Town Railway Station being situated just near the public offices and the Deputy Commissioner's compound and are valuable If they have to be acquired for Governmen purposes the cost may be the same as the conversion fine to be levied on the lands sought to be appropriated for building purposes at the present rate The survey numbers 8 and 9 in question are also very close to the Government lands near the public offices and their reservation to Government seems very necessary

I therefore recommend that sanction of Government may kindly be obtained to the conversion of 3 acres of land in S Nos 11 and 13 by the side of the roads as prayed for by the petitioner Mr. Mahalingappa without levy of conversion fine or special assessment but subject to the levy of 25 years commuted assessment on the area to be appropriated on condition of his relinquishing S Nos 9 in full, ~~xix~~ one/acre 29 guntas in S No 8 and 2 gunras in S No 11 in favour of Government free of cost

The connected records and the application of Mr Mahalingappa are enclosed

Appropriation - S No 11 and 13 of Mukkere Village Shimoga Taluk-Prayer of Mr G C Mahalingappa

With reference to your memo No C 3319/39-40 dated 2-12-40 forwarding for report a copy of the Chief Secretary's letter No R 3819/L R 417-38-5 dated 28-11-40 addressed to you on the above subject, I have the honour to forward herewith, as desired, a clear sketch showing the situation of the several survey numbers with reference to important roads and existing public buildings

Regarding the desirability of issuing a notification under the Municipalities Act prohibiting the construction of buildings (Except with Government Sanction) on both sides of the road leading to Nyamathi, the Municipal council Shimoga, who were consulted in the matter have drawn up a resolution in their meeting held on 22-12-1941 to the effect that the Government may recover the conversion fine and subject to the Town Municipalities Act and the rules thereunder permit Mr G C Mahalingappa to convert the lands into bilding sites A Copy of this resolution of the Municipal Council is enclosed for reference

But it is seen that S Nos 11 and 13 as also S Nos 3,4,6,7,8,9,10 and 12 of Mukkere Village are situated on both sides of the road leading to Nyamathi and are in close proximity to important Public Buildings as can be seen from the sketch I have inspected these lands I am therefore of opinion that it is desirable to issue a notification under Sec 110 of the Town Municipalities Act, prohibiting (except with Government sanction) the construction of

of buildings in this area I therefore request you kindly to issue a notification accordingly

Petitioner - G C Mahalingappa, Land-lord
Shimoga,

Subject - Re Conversion fine imposed on Survey No 11 and 13 of Mukere village being very heavy and praying for a reduction on reconsideration

---

The Petitioner respectfully begs leave to state as follows -

1 On the request of the petitioner he was allowed to convert his abovesaid land by paying Rs 400/- per acre into non-agricultural (building) purpose The Order No A g C 1376/34-35 was passed by the Deputy Commissioner to this effect

2 There was some delay on the part of the petitioner to deposit the said amount Subsequent to the Deputy Commissioner's Order there seems to be a Government Order to the effect that Rs 1 000/- ought to be a conversion fine in the case of lands within the radius of one mile from the Railway station

3 The Petitioner submitts that the said Government Order is not applicable to his case

4 The Petitioner has in the meanwhile submitted an alternative proposal so that he would give up a good portion in his lands of survey Nos 9 and 8 for public purpose which is needed and this offer would be for the satisfaction of the conversion fee This would be in the interest of public and it is both reasonable and advantageous that is in the interest of Government itself

5 With this view the petitioner, as early as 20th October, 1939, has presented another petition to the then Deputy Commissioner, Shimoga So for no orders

are passed in the matter Another application was presented a few months ago to the same officer

For these among other reasons the petitioner respectfully prays that your honour may be pleased to pass a favourable order at an early date
